PharmaSUG 2020

Submission Page

Instructions:

Please submit a title of no more than 25 words, a short title of no more than 75 characters, an abstract of no more than 250 words, and biographies of no more than 75 words for each author. It is strongly recommended that you include a working draft or outline of at least 1,000 words. This will improve our ability to evaluate your proposed paper and increase the probability of its acceptance. Asterisks indicate required fields.

Title of Proposed Paper (25 words max):

Word count: 16   Max allowed: 25

Short Title:

Please enter a short title for your paper of no more than 75 characters. This will be used in compact formats (such as our pocket schedules) that do not allow for the use of the full title. If you do not provide a short title, we may have to truncate your full title.

Short Title (*) [_____]

List of Authors:

Please enter the complete list of authors for your submission, in the order in which they will appear on the abstract. You can add as many author slots as you want, to accommodate the total number of authors for your submission. Please make a note that only two authors can register at the presenter discount rate. Your paper must be presented at the conference by someone listed below as an author.
